# GOING TO THE PARK

## 1. Read together

Today I am going to the park.

There might be other children at the park.

Sometimes I have to wait for a turn on the swing. Waiting can be hard.

While I wait, I can count to 20 or look at the trees.

Then it will be my turn. I can say "thank you" when someone shares.

When it's time to go, my grown-up will tell me. Then we go home.
